

VOLLEYBALL TAURANGA

THURSDAY NIGHT SENIOR COMPETITION RULES

- Players may only play for one team.
- Matching uniform tops to be worn by all teams.
- Fees are to be paid before teams will be included in the draw.
- The results table will be displayed each week at the venue and on the website each week.
- 2 points for a win, 1 for a draw, 0 for a loss
- Both teams are responsible for checking that the score sheet is filled in correctly – whatever the court controller collects at the end of the night will be considered correct as both teams should have checked it was filled in properly. Any issues are to be discussed straight after the game with the court controller.
- The draw for the entire competition will be done in advance. If your team cannot come you must tell the league convenor two weeks prior, to avoid a loss by default.
- Your team will default if you cannot get 6 players there at start of game (all from your team). You will still lose by default if you have to borrow players from the opposition.
- School teams must have a coach or manager present at all games whose responsibility is to keep them under control and ensure they do things properly.
